ABOUT STRATTEC

Strattec is a global automotive access company that designs and delivers safe, secure, and highly engineered access solutions for the automotive and mobility industries. Built on generations of access and security engineering expertise, Strattec partners closely with OEMs to create differentiated, system level access experiences for end consumers. Strattec's portfolio spans the access journey from Permission, enabling secure vehicle entry through advanced mechanical and electronic systems; to Motion, delivering effortless, reliable, powered access that enhances everyday usability; and through to Hold, providing precision-engineered latching solutions that give drivers confidence through proven strength, safety, and durability trusted by OEMs worldwide.

As access becomes increasingly intelligent, connected, and central to vehicle experience, Strattec's strategy is to expand its market share, further diversify its customers and geographic reach while becoming the most trusted access partner to drive long term growth across global automotive and mobility markets.
